SOUTH HAMPTON TOWN REPORT

Collector; Ernest Bonah, Selectman; Mary Mertinooke, Treasurer; John Santosuosso, Highway Agent and Police; and Jewell Currier, Auditor.

The following evening on March 14th, 1979, Moderator Horace Cressy called the meeting to order at 7:40 p.m. Rev. Everett Scruton opened the meeting with a prayer and Edward Hess led the Townspeople in the Salute to the Flag. The remaining articles were acted upon as follows:

ARTICLE II - Ernest Bonah, Selectman, made a motion that 51,725 be appropriated to defray town charges for the ensuing year. It was seconded by Paul Morris and voted in the affirmative.

ARTICLE III - John Santosuosso moved that the town appropriate 218.24 for the improvement of Class V roads, seconded by Paul Morris and voted in the affirmative.

ARTICLE IV - Anne Verge, Selectman, made a motion to accept the article authorizing the Selectmen to administrate, sell or otherwise dispose of any real Estate acquired by Tax Collector's Deed, any sale to be either by private sale to the previous owner or public auction with Selectmen retaining the right to reject any or all bids. Walter Goldthwaite seconded the motion and it was so voted.

ARTICLE V - Peter Martin, Selectman, moved that the Town authorize the Selectmen to hire money in anticipation of taxes; duly seconded by John Santosuosso and voted in the affirmative.

ARTICLE VI - Ernest Bonah, Selectman, moved that the Town authorize the Selectmen to make application for, and receive and spend in the name of the Town, such advances, grants-in-aid, or other funds for Town purposes as may now or hereafter be forthcoming from Federal, State, local or private agencies that would benefit the Town. It was seconded by Paul Morris and so voted.

ARTICLE VII - Anne Verge, Selectman, made a motion that the Town join the Southeastern New Hampshire Regional Planning Commission and authorize the Town's

SOUTH HAMPTON TOWN REPORT

representation and appropriate the sum of 416.40 for this purpose. Ellen Cressy seconded the motion and it was voted in the affirmative.

ARTICLE VIII - Anne Verge, Selectman, moved that the Town appropriate the sum of \$300.00 for support of the Seacoast Regional Counseling Center, seconded by Ernest Bonah. It was explained that the Town received a letter from Seacoast Counseling Center requesting an additional 200.00 for the Town's share after the warrant had been printed in the Town Report. Geraldine Riecks amended the article to appropriate the sum of \$500.00 for the support of the Seacoast Regional Counseling Center, seconded by Sally Bryant. The amended motion carried and was so voted.

ARTICLE IX - John Santosuosso explained the article and moved that the Town appropriate 5,000 for the Police Department, seconded by Paul Morris. Wallace Verge asked that a Budget Committee Member speak on the article. Robert Fraser stated that the Budget Committee did not recommended the 1,500 increase but added that he personally was in favor of it. The article was voted in the affirmative.

ARTICLE X - John Santosuosso moved that the Town appropriate the sum of 1,500 to purchase a used police cruiser and pay the insurance on same, seconded by Ed Hess. Michael Santosuosso asked the Selectmen if their personal cars would be covered by the Town in the event of an accident. Ellen Cressy felt that a marked car would be more visible and therefore a deterrent to crime. The article was voted in the affirmative.

ARTICLE XI - Edward Hess made a motion that the Town appropriate the sum of 500.00 for the maintenance of water holes and installation of a dry hydrant, seconded by Paul Morris and so voted.

ARTICLE XII - Burchard Stackhouse moved that the Town appropriate the sum of 300.00 for recreational purposes, seconded by John Santosuosso and voted in the affirmative.

ARTICLE XIII - Edward Hess moved that the Town

SOUTH HAMPTON TOWN REPORT

appropriate the sum of 4,000 to run the Fire Department, seconded by Edward Condon and so voted.

ARTICLE XIV - Ernest Bonah made a motion that the Town appropriate the sum of 2,800 to pay off the note on the fire truck, seconded by Paul Morris and voted in the affirmative.

ARTICLE XV - Edward Hess made a motion that the Town appropriate the sum of \$500 to match a \$500 Federal Grant for which application will be made by the Fire Dept. to purchase fire hose. If the grant is not received, the \$500 will be returned to the Town. Paul Morris seconded the motion. Ed Hess explained the need for the hose and the Moderator read an amendment proposed by Ed Hess that "even if the grant is not received, the 500 will remain for the Fire Dept. to purchase hose;" seconded by Edward Condon. The amendment and the motion were voted in the affirmative.

ARTICLE XVII - Ernest Bonah explained the article and made a motion that the Town appropriate 3,800 to pay the balance on the contract on the Town Tax Map by using the balance in the Tax Map Fund Account of approximately \$2,200 and Revenue Sharing Funds of approximately \$1,600, as authorized by Article 18 of the 1978 Town Meeting Warrant. Peter Martin seconded the motion and it was so voted.

ARTICLE XVIII - Moderator, Horace Cressy read article "To see if the Town will vote to adopt an ordinance requiring all electric power transmission line to be constructed in or through the Town having a rated potential capacity of 69,000 volts or more to be buried underground. Fred Anderson moved to accept the article as read by the Moderator, seconded by James Carey. Mr. Anderson passed out copies of a Public Service Co Map showing the route the lines would take through South Hampton. He explained his objections to the overhead lines - aesthetic as well as possible risks of health and safety. Walter Hill opposed the article because of the tremendous costs and maintenance problems of underground lines. Lee Knapp, Conservation Comm. Chairman, read a letter he had received from Public Service stating the cost would be 14.5 times more for buried lines and customer service would be impaired because of the

SOUTH HAMPTON TOWN REPORT

inaccessibility of underground lines. The letter also stated that miles of lines have been used safely for years throughout the country with no adverse health effects. After considerable discussion, the motion was voted in the affirmative.

ARTICLE XIX - Peter Martin moved that the Town vote to make Police Officers appointed by the Board of Selectmen rather than elected, seconded by Anne Verge and so voted.

ARTICLE XX - NEW BUSINESS

John Santosuosso moved that the Selectmen find out where settees are that were stored in the barn formerly owned by Peter Eaton, seconded by Geraldine Riecks and so voted.

Fred Anderson moved that the Town Clerk communicate to the Chairman of the Municipal and County Government Committee the Town Meeting's support for House Bill No. 361 - "An act relative to prohibiting the Public Utilities Comm. from superseding local zoning ordinances resulting in possible injury to the residents." The motion was seconded by Pete Oldak and voted in the affirmative. [A copy of the letter sent March 22, 1979 is on file with the 1979 Town Meeting records.]

John Santosuosso thanked the people that voted for him.

Lee Knapp wanted an explanation for an article passed last year to install blinking lights at the corner of Main, South and Chase Roads. Ed Hess explained that he did not give permission for the light to be installed on his property.

Michael Santosuosso, Police Officer and Constable was sworn in by the Town Clerk.

Respectfully submitted,
CAROL A. BAKER
Town Clerk

SOUTH HAMPTON TOWN REPORT

REPORT OF THE BOARD OF SELECTMEN

The Board of Selectmen meets in open session at the Selectmen's Office in the Town Hall on the second and fourth Tuesdays of each month at 7:30 p.m. At this time, in addition to its regular business of overseeing the operation of the Town, the Board is available to discuss matters with individual residents.

In addition to scheduled meetings, the Board spends many hours each year in the preparation of required federal, state and local reports, most of which relate to the raising and appropriating of funds for the operation of the Town.

The Selectmen are happy to report that the final copies of the Town Tax Maps are now available, following a review of the preliminary maps in November during which many residents inspected the Sewall Company's mapping of their property. The Tax Maps were required by the State and will be of great use in maintaining accurate records of ownership. Residents are welcome to look at the maps during the Selectmens' hours.

Beside continuing its work in facilitating the delivery of necessary services to the Town, the Board plans to investigate the feasibility of repairs and improvements to the Town Hall for the purpose of energy conservation.

Again, the Board reminds the citizens of South Hampton of its availability to individual inquiries, complaints, and suggestions, and urges each resident to take the time to come to Town Meetings to discuss and vote on the Warrant articles. The Town Meeting form of government is ideally suited for a town of our size and it behooves each of us to take a part, at least once a year, in the decision - making process which it affords.

FIRE DEPARTMENT REPORT FOR 1979

The fire Department had a total of 27 calls this year. They are as follows:

- 1 -- House Fire
- 1 -- Chimney Fire
- 3 -- Car fires
- 3 -- Brush Fires
- 2 -- Grass Fires
- 5 -- Woods Fires
- 3 -- Auto Accidents
- 2 -- False Calls
- 1 -- Kitchen Stove Fire
- 1 -- Check on an extinguished fire
- 1 -- Public Assist
- 4 -- Mutual aid calls to East Kingston

Effective this year, the fire department entered into a mutual aid agreement with members of the Seacoast Chief Fire Officers Association. We also, belong to the Interstate Mutual Aid Association. If we have a fire where we need help, any of the towns belonging to these Associations will come to our assistance. If any of these towns need our help, we will respond to help them.

This year we sent four men to fire School: Norman Felch, Richard Clark, Paul Morris, and Mike Zinck. The following courses were taken: Pump Operations, auto extracation, breathing apparatus, 1. p. gas firefighting, and fire behavior. Again, I was able to instruct in flammable liquids and breathing apparatus. Also, all members attend monthly special training sessions. Peter Gosselin is attending college classes in fire fighting strategy.

The men have worked very hard in trying to conserve in heating our fire station. Many hours have been devoted to repairing and insulating our building. Deputy Alan Philcrantz and Lt. John Gamble are in charge of this work.

Another project that the department is involved in is the Tot Finder program. Tot Finder stickers are put in any window in a child's Bedroom. This immediately tells a

SOUTH HAMPTON TOWN REPORT

fireman the location of children's rooms. If you wish to obtain such stickers, call Chief Hess -- 394-7590.

Lt. Richard Clark should be complimented for the many free hours of mechanic work that he has done on our trucks. This has saved the town a considerable amount of money.

A special word of caution -- If you are installing a wood stove, please have it inspected for your own protection. Deputy Philcrantz is in charge of the inspections. Call him at 394-7929. Also, if you are installing an oil burner, it must be inspected according to the state laws. Call Fire Chief Hess for information needed. Five such permits were issued this year.

Fire prevention in this town is excellent. Make sure we practice it 24 hours a day. Keep up the good work. Anyone with any questions about fire laws and regulations, feel free to call my home at 394-7590.

Emergency numbers are as follows:

**FIRE - 388-1616

SOUTH HAMPTON TOWN REPORT

REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of Forest Fire prevention and control within his town/city. This person may ask the State Forester to appoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry out his charge.

The State Forester has divided the State into ten forest fire districts with a full time District Forest Fire Chief in each district. The State organization is charged with assisting the municipality forest fire organization in any way possible.

State personnel conduct fire training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment is purchased through State bulk purchasing ability and sold to local forest fire organizations at one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression units. This cooperative arrangement between State and municipality has resulted in one of the best forest fire records in the United States with less than one-half acre of woodland burned in each fire reported.

We have covered a wide variety of calls and complaints. Increases in Thefts and Vandalism can be noted by looking at the annual crime statistics page on this report. We have given free time to all Town Functions and non profit organizations. We have also donated many free hours and used our vehicles without charge on many occasions such as Law Enforcement meetings all over State, attending different School sessions etc. We have put in a lot of time and long hours throughout the past year not only for the Town and the Town's People but to keep up with the ever changing Laws and times, all of these are time consuming and we have to pick up the tab ourselves, such as dues, gas, meals etc.

I have driven and maintained my own vehicle over 4,000 miles and have put in over 1200 man hours, plus time answering phone and making out reports at home. We are badly in need of a steel filing cabinet for police reports, William Battles and Mike Santosuosso both have put in a lot of time, Officer Battles has driven his own Vehicle over 3,000 miles and has put in over 400 man hours. We have put in many hours patrolling, out on radar checks, checking around the town keeping an eye on all empty homes while people are away on vacations both at night time and day time.

The State Bookmobile visited us three times and left 451 books for loan, plus we received two mini-collections and requested and showed three films. The summer book club was a success with the Haunted House as it's theme. At the request of patrons we borrowed 22 books directly from the Stae Library. We have a total of 48 patrons who now hold Statewide cards, and for the fifth consecutive year we received recognition from the State Library Development program.

SOUTH HAMPTON LIBRARY TRUSTEES REPORT 1979

In June, the South Hampton Library Trustees accepted with regret the resignation of Carolyn Merrill from the Board. We are grateful to Mrs. Merrill for her hard work on behalf of the Library. The selectmen appointed Judy Shivik to serve as Library Trustee for the remainder of Mrs. Merrill's term.

Again this year the friends of the Library have contributed significantly to the support of the Library. They donated one hundred dollars which was used to replace eighteen editions of much read children's classics. They had the sketch of the Town Hall by Effie Berry Framed. The party for the children at the close of the Summer Reading Program was sponsored by the Friends, as was the all day open house to celebrate National Library Week. Members participated in a book processing workshop held at the Library. Two new desk chairs were purchased by the Friends for the Library. Volunteers from the Friends staff the Library during the Monday evening hours and also help the librarian during Wednesday afternoon hours when the school children are at the Library. The Trustees are most grateful for the Friends continued support of the Library and its programs.

Mr. Walter Ross sanded and refinished the stairway railing - No more splinter complaints!!.

The Trustees are encouraged by the increased use of the Library and by the response to new features - such as the two mini displays on loan from the State Library. These displays - one on Alternative Energy Sources and one on Women's Issues - Generated much interest.

The Trustees and the Librarian would welcome any and all suggestions for new programs and improved service. The Trustees meet once each month at the Library - date and time announced in the Southhamptonite. If you have any suggestions, ideas, or criticisms concerning the Library, Please contact the Trustees to discuss them.

BRIEF RESUME OF WORK DONE THIS PAST YEAR

All roads were patched throughout the year, some brush was cut on Lone Goose Road, Hilldale Road, Chase Road, some cut on Woodman Road more to be cut here and Highland and Locust St. Some ditches cut here again more to be cut this year to eliminate water run off also all culverts were cleaned out on most of our roads this past year. We tarred some of bad spots in Town, Whitehall Rd., Hilldale Rd., Stage Coach Rd., Highland Rd., Woodman Rd., More needed this year

SOUTH HAMPTON TOWN REPORT

Upper end of Highland Rd., needs work should have a new gravel base put down and road should be moved to right about ten feet to allow a ditch to be put into take care of water problems also quite a few trees have to be removed that are too close to edge of road which hampers snow removal and causes water and icy problems Old 150 needs attention on Guard Rails and Water Problems, Ditches have to cut as well as brush, which I hope will be taken care of this coming year.

SOUTH HAMPTON TOWN REPORT

REPORT OF THE PLANNING BOARD

The Planning Board meets in open session at the Town Hall on the first Tuesday of the month with the exception of July and August.

We have met regularly and held several work sessions and special sessions to accomodate the public. Three Planning Board members attended the annual State sponsored Municipal Training Consortium in order to keep abreast of the latest State Zoning Laws. The importance of the Master Plan was stressed.

The Master Plan Committee meets monthly. It is imperative that the Head or a representative of each Town Department be in attendance as well as all interested citizens. These meetings are open to the public and public participation is encouraged.

We recommend that each owner be aware of the zoning ordinances in order to prevent future costly violations.

REPORT OF THE CONSERVATION COMMISSION

During 1979 the Conservation Commission worked with and assisted the selectmen and Planning Board in Wetlands related matters. Working primarily as an investigatory group, our advisory findings relating to South Hampton's natural resources were reported to our local officials and the New Hampshire Water Resource Board.

Being a part of the Powow River Watershed, much of South Hampton is in Wetlands. These wetlands, being swamps, bogs, river banks and natural flood protection areas, must be kept free from encroachment and pollution. Development of our open wetlands would diminish the quality of life we all enjoy in South Hampton.

The commissioners thank all of you who worked with us in 1979 and hope for your continued support in 1980.

Respectfully submitted,

RECREATION COMMISSION REPORT

During the summer of 1979, the Recreation Commission continued with the reservation sheet at the tennis court which was implemented successfully in 1978. This year it continued to prove its value, as there were few, if any complaints received.

During the summer vacation the Play-ground program was once again continued. Denise Muise directed the activities which were enjoyed by an average of 10 to 15 participants.

During the early spring a Cribbage night was setup which ran for several weeks. Lack of interest caused it to be discontinued.

SOUTH HAMPTON TOWN REPORT

**South Hampton, N.H.
March 6, 1979**

The Annual Meeting of the South Hampton, New Hampshire School District was called to order by Moderator Horace Cressy, who was sworn in by the school district clerk before the meeting, at 8:02 p.m. with 45 people in attendance. The warrant now attached to page 224 was read.

Lawrence Baker made the motion "to let the Superintendent and his staff speak as well as Mr. Marinis if called upon". Audrey Miller seconded and voted in the affirmative.

ARTICLE I - Mr. Baker moved that the sum of \$262,426 be raised for the support of schools, seconded by Walter Hill. After much discussion, the article was voted in the affirmative. The board also pointed out that a surplus of 18,000 was turned back to the town last year.

ARTICLE II - Mr. Hill moved that this article be accepted as read. Mr. Baker seconded. Dr. Hamilton and Mr. Kenney, the Business Administrator spoke on this article. After some discussion, Thomas Harlow made an amendment "to increase this amount to \$2,294 in anticipation of another high school pupil". seconded by Mrs. Keily. The amendment was voted in the negative. The article was voted in the affirmative as read.

ARTICLE III - Mrs. Nelson moved that this article be accepted as read. Mr. Baker seconded. Mr. Baker explained the reasons for submitting this article as there had been talk of people who were not in favor of the school using the town hall. He felt we should be prepared in the event we could not use it in the future. Mr. Santosuosso thought it would be a good idea to take a straw vote and made the following motion, "I move this meeting endorse the use of the town hall be the school." Seconded by Audrey Miller, voted in the affirmative. Mr. Santosuosso then moved "that this article be defeated." Seconded by Mr. Harlow. This article voted in the negative.

ARTICLE IV - Mr. Baker moved that we vote against Hampton's withdrawal from the Union, seconded by Audrey

SOUTH HAMPTON TOWN REPORT

Miller. Dr. Hamilton stated that the state school board had asked each district to take a vote on whether they wanted Hampton to withdraw. At this time, he stated, the people have not withdrawn the request to form their own union. Mr. Baker then withdrew his motion and Mrs. Miller her second. The article a dead issue.

ARTICLE V - Mr. Hill made the motion to accept this article as read. Mrs. Audrey Miller seconded. Mr. Baker explained the Article. It was then voted in the affirmative.

ARTICLE VI - Chief Hess stated he would like to see a ADT fire alarm system in the school. Such a system is connected directly to Manchester, N.H.

Horace Cressy made the motion to adjourn the meeting at 8:55 p.m. seconded by Sally Bryant.

Respectfully submitted,

AUDREY G. BRUNET
School District Clerk

BARNARD ELEMENTARY SCHOOL DISTRICT SCHOOL BOARD REPORT

To the citizens of South Hampton, New Hampshire:

BUDGET

This board submits a report on the management of Barnard School during the fiscal year 1978-1979.

The school budget form for this report has been changed and we on the School Board feel that these changes will allow a better understanding for line items and individual accounts during the school district meeting. The new form also includes columns that show action the School Board took in deleting or adding to accounts that were proposed by the administration. We hope this new form will help the taxpayers of South Hampton in their review of this budget.

Next year's budget reflects a ten percent increase. The School Board made substantial cuts, eliminating allowances and reducing other accounts to minimum spending. Special education costs for two out-of-district students reflects a large increase in this budget. We have many special education programs that are handled in Barnard School in the normal operating budget.

We feel this budget reflects an effort by ourselves and the staff of Barnard School to keep increases to a minimum, As stated in last year's Town Report, teacher's salaries, high school tuition, and bus transportation are all set by contract.

ACCOUNTABILITY COMMITTEE

During the past year, representatives from South Hampton have met once a month with representatives from each of the five districts on the Accountability Committee. Our representatives are: Principal, Mr. T. Marinos; Teacher, Mrs. B. Peeke; Parent, Mr. T. Nelson; and School Board Member, Mr. W. Hill.

This committee is required to develop and implement a five year plan for assessing local pupil improvement. The

SOUTH HAMPTON TOWN REPORT

committee is currently in phase two of Accountability, which includes testing of all students in Union 21 this year.

JOINT BOARD

Members of the South Hampton School Board meet three times a year with board members from the other five districts in Supervisory Union No. 21. These Joint Board meetings are held to set budgets, policy, and hiring in the Union Office.

FACILITIES

As in the past year, the School Board met this year with the Barnard Trustees to recommend needed repairs and improvements to the building. Thanks to the cooperation of the Trustees, the outside of the building was painted, floors were repaired in the lavatories and new doors and locks were installed on two entrances to the school. In the Spring the School Board will be presenting to the Trustees, recommendations for insulating and economizing of energy in the building. With the on-going support of the Trustees, we hope to continue to improve the appearance and durability of Barnard School.

Upon recommendation from the principal, the School Board approves the painting of one classroom per year. These painting and repair jobs are advertised for bids to local townspeople and awarded to the lowest bidder.

HIGH SCHOOL

One of the on-going concerns of the South Hampton School Board has been South Hampton's high school students, their quality of education and especially their lack of vocational education. We are in the process of pursuing ways in which we can get our students in either the new Exeter Vocational facility or to have them accepted in the Whittier Vocational School.

During this past year, Board members Patricia Nelson, has met with Mr. Lawliss, Principal at Amesbury High School to discuss the academic standing of South Hampton

SOUTH HAMPTON TOWN REPORT

students and to familiarize the South Hampton School Board with curriculum and programs available for our students. We have found the administration of Amesbury High School to be extremely cooperative with any of our problems or requests for information. As stated above, the goal for the South Hampton Board in this coming year is to make vocational education available to our high school students.

YEAR IN REVIEW

Barnard School curriculum now includes a full day of physical education. Each grade receives one period of gym per week, under the guidance of Mrs. Sally Kratt.

Over the past year, the Board has implemented the installation of a twenty-four hour fire alarm system for Barnard School. This is a digital phone system that is connected to a twenty-four hour answering service in the Rockingham County.

If there should ever be a fire during non-school hours, the alarm goes to the answering service and they in turn alert the South Hampton Fire Department and Amesbury Fire Department.

The School Board has encouraged a stricter policy for discipline on the school bus. Last winter we implemented a policy of having make-up days for storms on Saturday, rather than tack them on in June. The difference being that we closed school June 12th this past year instead of June 28th as in the previous year.

In closing we would like to extend our thanks to the administrator and staff of Barnard School for providing South Hampton Students with a very successful elementary school.

Respectfully submitted,

SOUTH HAMPTON TOWN REPORT

To the Citizens of South Hampton:

I submit, herewith, my annual report for your School District.

Each year I feel compelled to reinforce past written and verbal statements relative to my opinion of the education your children are receiving at the Barnard School. You have some built in flexibility problems with a small staff but I feel these are compensated for by the “togetherness” of your students and staff.

I am still concerned with the need for additional facilities at the Barnard. The expansion of regular programs, the demands of special education, and the need for an adequate administrative conference area are problems that eventually will have to be dealt with. The dual use of the town hall and traffic in and around the children’s outdoor play space require patience, understanding, and cooperation by all involved parties.

Your School Board and staff members are to be commended for their efforts in educating the handicapped children of South Hampton. Special education today is time consuming, costly, and in some instances frustrating. Again, patience, understanding, and cooperation are necessary ingredients in complying with State and Federal Legislation.

I thank you as a citizen for your support of the Barnard School. Should you at any point have questions, please do not hesitate to contact the staff members involved, Principal Marinos, myself, or a member of the School Board.

Respectfully submitted,

**RICHARD C. HAMILTON, Ed.D.
Superintendent of Schools**
